DWC announces May 7 meeting to discuss IMR and IBR communications

The Division of Workers' Compensation (DWC) invites interested members of the public to a meeting May 7 to discuss the most efficient means of communication with Maximus Federal Services, the current independent medical and bill review organization.

The meeting will be from 10 a.m. to noon in the auditorium of the Elihu Harris Building, 1515 Clay Street, Oakland, CA, 94612.

Principals from Maximus Federal Services will present an overview of how the requests for independent medical reviews (IMRs) and independent bill reviews (IBRs) are processed.

Workers' compensation carriers and third party administrators are encouraged to join in this discussion regarding secure methods of transmitting documents and the best ways to handle billing and other communications issues.
