Any variance granted by the Administrative Director under this subdivision shall be set forth in writing.~~

~~(A) — A partial variance requested on the basis that the claims administrator is unable to transmit some of the required data elements to the WCIS shall be granted for a six month period only if all of the following are shown:~~

- ~~1. — a documented showing that compliance with the reporting deadlines set forth in subdivision (e) would cause undue hardship to the claims administrator;~~

2. ~~— a documented showing that any medical data elements currently being transmitted by the claims administrator or the claims administrator’s agent to public or private research or statistical entities shall be reported by the claims administrator to the WCIS;~~
3. ~~— a documented showing that the claims administrator will submit to the WCIS the medical data elements available to the claims administrator or the claims administrator’s agents; and~~

2. ~~— a documented showing that the claims administrator has not contracted with a bill review company to review medical bills submitted by providers in its workers’ compensation claims;~~
3. ~~— a documented showing that the claims administrator is unable to transmit medical data to public or private research or statistical entities; and~~
4. ~~— submission of a plan, prior to the applicable deadline set forth in subdivision (e), documenting the means by which the claims administrator will ensure full compliance with the data reporting within twelve months from the request.~~

~~(2) — “Undue hardship” shall be determined based upon a review of the documentation submitted by the claims administrator. The documentation shall include: the claims administrator’s total required expenses; the reporting cost per claim if transmitted in house; and the total cost per claim if reported by a vendor. The costs and expenses shall be itemized to reflect costs and expenses related to reporting the data elements listed in subdivision (e) only.~~

~~(3) — The variance period for reporting data elements under subdivisions (a)(1)(A) and (B) shall not be extended. The variance period for reporting data elements under subdivision (a)(1)(C) may be extended for additional twelve month periods if the claims administrator resubmits a written request for a variance.
