DWC Issues Notice of Public Hearing for Proposed Evidence-Based Updates to the Medical Treatment Utilization Schedule

The Division of Workers' Compensation (DWC) has issued a notice of public hearing for proposed evidence-based updates to the Medical Treatment Utilization Schedule (MTUS), which can be found at California Code of Regulations, title 8, section 9792.23.

The public hearing is scheduled for Monday, March 30 at 10 a.m. in the auditorium of the Elihu Harris Building, 1515 Clay Street, Oakland. Members of the public may review and comment on the [proposed updates](#) no later than March 30.

The proposed evidence-based updates to the MTUS incorporate by reference the latest published guidelines from American College of Occupational and Environmental Medicine (ACOEM) for the following:

- Occupational Interstitial Lung Disease Guideline (ACOEM November 8, 2019)
- Knee Disorders Guideline (ACOEM December 3, 2019)
- Workplace Mental Health Guideline: Depressive Disorders (ACOEM February 13, 2020).

The proposed evidence-based updates to the MTUS regulations are exempt from Labor Code sections 5307.3 and 5307.4 and the rulemaking provisions of the Administrative Procedure Act. However, DWC is required under Labor Code section 5307.27 to have a 30-day public comment period, hold a public hearing, respond to all the comments received during the public comment period and publish the order adopting the updates online.

The [California Department of Industrial Relations](#), established in 1927, protects and improves the health, safety, and economic well-being of over 18 million wage earners, and helps their employers comply with state labor laws. DIR is housed within the [Labor & Workforce Development Agency](#). For general inquiries, contact DIR's Communications Call Center at 844-LABOR-DIR (844-522-6734) for help in locating the appropriate [division or program](#) in our department.
